Four New Partners Elected at Hixson
- Shareholders in Firm Now Number 38 -

(CINCINNATI; February 2, 2011) – Hixson, a Cincinnati-based architecture, engineering and interior design firm, announced today that Kris Brunner, Michael Meyer, Tatyana Slobodnik and Scott Wever have been elected the newest partners in the privately held firm, bringing the total number of shareholders to 38.

Kris Brunner is the Facility Manager at Hixson. In this role, Brunner is responsible for overseeing all aspects and day-to-day operations of Hixson’s five-story, 125,000 sq. ft. facility. Brunner, who has been with Hixson since February 2005, is a Journeymen electrician with more than 16 years of facility management experience. Brunner resides in Batavia, Ohio.

A Construction Administrator with Hixson since 1998, **Michael Meyer**, CSI, RRO, provides contract administration and observation as the owner’s agent during bidding and construction activities. Meyer has more than three decades of experience in his field, including more than 21 years of active duty as an Instructor, Utilities Chief and Facilities Services Contract Manager in the U.S. Naval Construction Force (SEABEES). Meyer holds a B.S. in Education from the University of Southern Mississippi and a M.A. in Public Management from Midwestern State University. He resides in Wyoming, Ohio with his family.

Four New Partners Elected at Hixson, p. 2

Tatyana Slobodnik, CPD, is a Project Plumbing Engineer at Hixson. In this position, Slobodnik designs and specifies systems such as sanitary and process sewage, storm drainage, water, natural gas, compressed air, and others. Slobodnik, who has been with Hixson for more than 15 years, holds a M.S. in Civil Engineering, with a concentration in Water Supplies and Sewage Systems, from State University Lvivska Polytechnica in Lviv Ukraine. She resides in Mason, Ohio.

Scott Wever brings nearly 20 years of experience to his position as Senior Project Engineer in the Manufacturing Engineering department at Hixson. In this role, Wever designs production and packaging systems, and specifies, evaluates, and recommends equipment on behalf of Hixson's clients in the food and beverage industry. Wever holds a B.S. from Western Kentucky University and resides with his family in Erlanger, Kentucky.
