VISIONMARKINGSM

Every year, your business needs to determine the viability of a host of new initiatives, from new market entries to sustainability, business expansion, security and more. Business data such as sales volumes may only provide part of the information needed to make a sound, informed business decision. Hixson's Visionmarking services help our clients complete the picture by providing clearer insight into the ability of facility, technology, people and equipment to support your business objectives.

CAPABILITIES

Visionmarking incorporates a wide variety of service offerings from Hixson, including:

- Business Planning Services
- Energy Consulting
- Facility Audits
- Facility Support Services
- Flammables and Combustibles Consulting
- Master Plan Consulting
- Security Consulting
- Sustainability Consulting
- Workplace Change Management

BENEFITS

By engaging one or more of Hixson's Visionmarking services, you can:

- Gain confidence that the facility and physical assets will support business goals.
- Maximize the performance and life of equipment and other assets.
- Develop predictable operational spending budgets.
- Gain better insight into current and future facility capabilities.
- Identify opportunities to enhance building and/or operational performance.
- Minimize downtime through better upkeep and faster solutions to issues.
- Reduce labor costs throughout the process.
- Enable existing in-house technical staff to accomplish more.
- Concentrate on the day-to-day operations while advancing your business.
- Be assured that all decisions are made in your best interest through Hixson's "no-bias" approach.
