Hixson Engineer Attains CHMM Certification

(CINCINNATI; December 8, 2009) – Hixson, a Cincinnati-based architecture, engineering and interior design firm, announced today that Lorie Brengelman, an Environmental Health & Safety Specialist at Hixson, has been recognized as a Certified Hazardous Materials Manager (CHMM) from the Institute of Hazardous Materials Management. In earning this designation, which is awarded based on a combination of education, experience, and examination, Brengelman joins a select group of her peers who have demonstrated a commitment to professional excellence in protecting the environment and the public's health and safety. Brengelman, who has been with Hixson for three years, holds a B.S. in Environmental Health Sciences from Ohio University and resides in Amelia, Ohio.
