Hixson Hires Two in Engineering Departments

(CINCINNATI; September 12, 2017) – Hixson, a Cincinnati-based architecture, engineering and interior design firm, today announced that the following new associates have joined the firm.

Dan Schmidt joins Hixson as an Engineer in the firm's Mechanical Engineering department. In this position, Schmidt designs steam boiler central plants and distribution systems, comfort and process cooling, heating and ventilation systems. Schmidt, a resident of Anderson Township, holds a B.S. in Mechanical Engineering Technology from the University of Dayton.

Ryan Voss joins Hixson as an Engineer in the firm's Plumbing & Fire Protection Engineering department. In this role, Voss will design fire protection systems, storm, sanitary and process sewage drainage systems, domestic water treatment systems, hot and cold water systems, natural gas, and compressed air systems. A native of Jefferson City, Missouri now living in Ft. Thomas, KY, Voss holds a B.S. in Mechanical Engineering from the Missouri University of Science & Technology.
